

2017 Registration Fee Breakdown

Do you know.....?

GJBC is a private, non-profit organization, incorporated in the state of Illinois? We receive NONE of your tax dollars or financial support from the area park districts. Our organization is funded entirely by sponsors and registration fees. No board member, coaches, managers are paid. They are all dedicated volunteers giving their time freely to help the youth of our community.

GJBC is including, upfront, all applicable fees and offering payment plan options (equal payments in March, April, and May) for those that require assistance. Combining fees upfront will eliminate the multiple fee requests throughout the season.

** Please note if your athletes squad earns a bid to the IRCA State Championship, an additional fee is required that is not included in this upfront pricing. See below!**
