HASTINGS LAKE YMCA

A BETTER YOU MAKES A BETTER US

In today's world, it's not always easy to get what we need to thrive. That's where the Y steps in.

The Y knows what we need to be our best selves. We offer child care to parents, health and wellness support to adults, leadership opportunities to teens and a safe learning place to our children. Everything the Y does is in service of making us better.

As a member, you're part of a shared commitment to strengthen our community through youth development, healthy living and social responsibility.

The Y.™ For a better us.™
